

Get your dream vacation with B2G!

BitcoinSecondGeneration (B2G) in Partnership with Golf Sun and Sand (<http://golfsunandsand.com/>) is proud to announce one of the biggest partnerships of B2G to-date. The B2G community can now use their B2G coins as payment for Golf Sun and Sand golf resorts and other luxurious accommodations. The Golf Sun and Sand is a company dedicated to provide only the best accommodation for its various locations, with fully equipped and furnished villas & apartments located at the beautiful Bulgarian Black Sea Coast.

Enjoy a 10% discount every time you pay using your B2G coins. Payment with B2G is considered quick and instant, more secure and complete anonymity for those who wish. With B2G's fast transaction time, low transaction fees and huge customer base, businesses like the Golf Sun and Sand will continue to benefit for having B2G as a payment option to its clients. This is a great opportunity for the B2G community to enjoy a luxurious vacation with Golf Sun and Sand.

In addition to Golf Sun and Sand, we are also partnering with a broker for vacation homes in more than 300,000 privately-owned properties all around the world. Stay tuned for more B2G partners and watch out if your dream destination accepts B2G!

Take advantage of this Summer Holiday treat from the B2G team to the B2G Community! Companies who would like to use B2G as a settlement coin, you can contact us through our Customer Service at www.bitcoiin.com
